Cyber Knight Computers Inc. Earns Coveted Angie's List Super Service Award

Award reflects businesses' consistently high level of customer service

Cyber Knight Computers Inc. has been awarded the prestigious 2011 Angie's List Super Service Award, an honor bestowed annually on approximately 5 percent of all the businesses rated on the nation's leading provider of <u>consumer reviews</u> on local service and health providers.

> *"On a scale of 1 - 10 they are a 95!! (That should tell you how great I think they are). Michael also told me that once I was their customer, they would be there for me, and be available if and when I needed them... I did have some questions and concerns after my computer was repaired (I did something to my computer and needed help) and Michael and his staff were there for me just as promised."*

"Only a fraction of the businesses rated on Angie's List can claim the sterling service record of being a Super Service Award winner because we set a high bar," said Angie's List Founder Angie Hicks. "The fact that Cyber Knight Computers Inc. can claim Super Service Award status speaks volumes about its dedication to consumers**.**"

Angie's List Super Service Award winners have met strict eligibility requirements including earning a minimum number of reports, an exemplary rating from their clients and abiding by Angie's List operational guidelines.

Ratings are updated daily on Angie's List, but members can find the 2011 Super Service Award logo next to business names in search results on AngiesList.com.
